ISLAND SPORTS

SOLDIERS SPRUNG A BIG SURPRISE

The unexpected happened in the first of the league baseball games at Punahou on Saturday, the Punahous snuffing the Kamehamehas by a solitary run in the tenth inning.

Up to the extra session the game had been close but deadly dull and entirely devoid of snap. In the first half of the tenth Perry and Hemenway took bases on balls and just when it was needed Babbitt smote a crafty one into left and bagged a base. With "full house" signs dangling from the bases, Loucks fetched a good one into right which sent Perry and Hemenway home, Babbitt being dropped at second. Myers connected and moved up one and immediately after, Soper kept Short's hands full for a brief period. J. Marcallino struck but didn't hit anything and the game ended with the score standing, Punahous 5, Kams 3.

The attendance was about 500.
Kanoel for the losers pitched wildly but was given good support. He was not hit much but gave a powerful lot of bases on balls. The Kams for some reason put up a spiritless game and when the tenth inning was called were played out.

Score by innings:
1 2 3 4 5 6 7 8 9 10
Punahou 2 0 0 1 0 0 0 0 0 2-5
Kams 0 0 0 1 2 0 0 0 0 0-3

The teams were as follows:
Kamehameha—Cockett if, Anderson 2b, Kanoel rf, Koki cf, Jones 1b, Vannatta 2b, Kamehameha rf, Kekuwa 3b, and Harbottle ss.

Punahou—Loucks 2b, Myers 3b, Soper 1b, J. Marcallino if, A. Marcallino cf, Cooke ss, Perry rf, Hemenway c, and Babbitt p.

Lieutenant Newton umpired the game.
Anderson and Soper made sacrifice hits. Bases were stolen by Anderson, Kamehameha, Myers, J. Marcallino, Cooke and Perry. Kanoel struck out six and Babbitt five. Kanoel gave 12 bases on balls and Babbitt three. The only wild pitch of the game was made by Kanoel.

When the Custom House and Artillery nines came together there were about 500 people present. The former team was minus the services of Elston and Nowell, their places being taken by Anderson and W. Wilder. Naturally the Custom House were the favorites, for they had not sustained a single defeat since the formation of the team. The soldiers had many friends, however, who did not forget that they had been practicing more faithfully than any other team in the league and who argued that the two hours a day regular practice could not fail to result in a marked improvement in form.

The improvement in form was there all right, and the despised Artillery came so near defeating the Smugglers that the supporters of the latter had anything but a happy game.

Kiwa pitched a wretched game and at times merely tossed such balls as the veriest tyro could not fail to hit. He certainly was out of form on Saturday. Brown, on the other hand, pitched a phenomenally improved game and did the neck-tie act with his balls, striking out man after man. His support was enough to discourage him, however.

The game started briskly enough and but for a crop of errors which started to sprout early in the game, the soldiers would certainly have won. At the end of the eighth inning the score was four to two in favor of the regulars. The score was unchanged.

In the first half of the thirteenth the Artillery goose-egged. Bower for the Customs flew out and an error by Brown sent Wilder to first. A base hit by Moore brought Wilder home and cashed the bats.

Score by innings:
1 2 3 4 5 6 7 8 9 10 11 12 13
A. 1 1 0 1 0 0 0 1 0 0 0 0-4
C. H. 0 2 2 0 0 0 0 0 0 0 0 1-5

Fennett made a home run. Brown a three-base hit and O'Leary, Brown and Pliney, two-base hits. Moore stole eight bases, Anderson and Tucker two, Gay five, Bower, Wilder, Brown, Pliney two and Tobin one.

Brown struck out 15 men and Kiwa 13. Brown and Kiwa each gave a base on balls. Double plays were made, Gorman to Scanlon and Moore to Scanlon.

MAUI HURLS A BASEBALL DEFINITION

HILO, May 15.—The following challenge has been received from the Maui Athletic Association:

Wailuku, May 6, 1902.
Mr. Embert Brown, Captain Hilo Baseball Team:

Dear Sir:—At our regular meeting held last night it was the sense of the meeting that I be instructed to write to you on behalf of the Maui Athletic Association challenging you to a game of baseball to be played at Wailuku, Maui, on June 11, 1902. This you suggested in yours of the 11th of February.

We can offer you all expenses paid, outside of steamer fare; also three-fifths of gate receipts to winner and two-fifths to loser. The gate receipts on this day will be split.

We are just beginning our season, as you will note by enclosed card, and also you will note the 11th of June is left out, the object being that the two best teams will play a match game unless you intend coming, when other arrangements will be made.

Try and talk this up among you, and let me know at your earliest convenience your decision.

Yours for sport,
L. CLARK,
Secretary M. A. A.

Advices were expected by this Kinau as to whether the Maui team would go to Honolulu to play during the three days' racing in June, in which case the Maui boys may come to Hilo for the Fourth, provided a return game or games may be depended upon on Maui Flag Day, August 12th. If Hilo ball tossers don't want to show Maui, as well as the sporting crowd of the entire group, the white feather, they will commence getting a team together and putting in some hard licks practicing. Maui means to put up a game which will be hard to beat.

Stars Won.

WAILUKU, May 17.—The first game of the Maui Baseball League resulted in the Morning Stars defeating the Walkupers by the score of 23 to 12.

HILO FANCIES BROWN TO WIN

HILO, May 16.—The heavy-weight boxing contest between Denver Ed Smith and L. D. Brown, the Kaiwiki giant, will occur in Spreckels' hall Saturday night, May 17, at 9 o'clock. That Denver Ed, the hero of many a hard-fought battle in Europe, Africa, Australia and the States, will meet his Waterloo in the hamlet of Hilo is the belief of all who have seen the Kaiwiki giant and know something of his history in the ring. Denver Ed thrashed Joe Goddard at New Orleans, but he has never stood before John L. Sullivan for four hard rounds, as has the defender of the belt of Hilo. The man from Kaiwiki will be the heavier man of the two, but he will enter the ring fresh from his banana plantation 1300 feet above the level of the sea. There Brown has worked under the tropical sun, in the purest air that blows, and has not touched nicotine or spirits for years past. He has the strength and endurance of the trained athlete and knows the tricks of the ring. He goes up against a master of the art of pugilism, when he meets Denver Ed, but he goes with fighting qualities which his adversary cannot put on with a few stunts upon the beach and a dip or two in the salt sea.

The Kaiwiki giant has circumstances largely in his favor. If he stands Denver Ed off in his boxing match he will at once challenge Woods at Honolulu and perhaps return to the ring, which affords more spice than a banana farm in the mountains of Hawaii. During the past week Denver Ed has been training vigorously. He lives in a tent at the mouth of the Wailuku river and makes two runs each day of from four to six miles. He says he will go into the ring tomorrow night in the pink of condition and will show the giant what he has forgotten in the matter of the gentlemanly art while toiling on a banana field.

The pugilists will wear eight-ounce gloves. The eight-ounce mitten looks like a sofa cushion when on the fist of a heavy weight and Denver Ed sarcastically referred to the mitts in vogue in Hilo as "pillows."

The evening at Spreckels' hall will be opened by a preliminary go between two local lightweights. This will be followed by a wrestling match between two Japanese, the champion of Olau and the champion of Hilo.

MAUI WILL HAVE GREAT RACE DAY

WAILUKU, May 17.—On Thursday evening the adjourned meeting of the Maui Racing Association was held, to take further action concerning the proposed races.

From Honolulu and Hilo very encouraging reports were received. G. S. McKenzie, manager of the Volcano stables, Hilo, has expressed his intention to come and bring a string of flyers and a baseball team with him. Other prominent horsemen on the big island are yet to hear from, but a contingent of them may reasonably be expected.

The Honolulu racing men express themselves enthusiastically over the proposition and promise to bring a number of fast ones over here for the August races. The Honolulu men even go further and say that if the big races are held on Maui July 4, they will cut Hilo and come here. However, the Maui association will stand for Hilo this year and defer our big racing meet to August 12. Next year, if our races prove a success this year, we may try to capture the July races, which by a long line of precedents rightly belongs to us.

Upon hearing the above favorable reports, the association decided to give the races as proposed at the last meeting, the substance of which were published last week.

Two minor changes were made in the programs. For the Fourth of July races the bicycle race was struck out and the purse added to the foot-race, making first money \$25; second money, \$10; entrance fee, \$2.50. In the August races a change was made in No. 6, the pony race. Instead of a pony race for \$100, a polo pony race, polo players to ride, will be given, for a purse of \$150. As a polo team from Honolulu will be present at that time to play a Maui team, there will probably be several Honolulu polo ponies in the races, so that the Maui polo ponies will have to look well to their laurels.

The executive committee of the association made a brief oral report at the meeting, concerning the track and grounds, showing that the work of getting ready for the races is being energetically pushed. Contracts have been let to repair and whitewash the buildings and fences, and the work has been pushed. Work is also being done on the track, which is not in a bad state to start with. The track will probably be ready for the flyers by the middle of June, if not before, and no efforts will be spared to put it in the best of condition.

Indications are very flattering for good races on the Fourth and better ones on August 12, and those who are interested in such matters, especially delinquent members who lost all interest on account of laxness in racing matters during the past few years, are cordially and earnestly invited to join hands with the management and help to make the races a big success.

Cricket.

In the opening match of the cricket season on Saturday C. P. Morse's eleven defeated S. Beardmore's side by five wickets and four runs. S. Beardmore made top score of 35. Others who got into double figures were Prince Cupid, 10; A. T. Miles, 34, not out; C. P. Morse, 20; A. Pihanaia, 10.

Tug of War.

The Pacific Hardware team defeated the Public Works team on Saturday night in 22½ minutes, winning the championship. The Lumbermen defeated the Kani Ke Aus in 36½ minutes.

\$4.00 trimmings this week for \$2.00
\$2.00 trimmings this week for \$1.00
\$1.00 trimmings this week for 50c
50c trimmings this week for 25c

We sincerely believe that our trimming department has always been a very satisfactory one for our customers. The patronage which it enjoys from Honolulu's best dressmakers warrants us in congratulating ourselves that our efforts to keep it always up to the pace set by Dame Fashion, has been entirely successful.

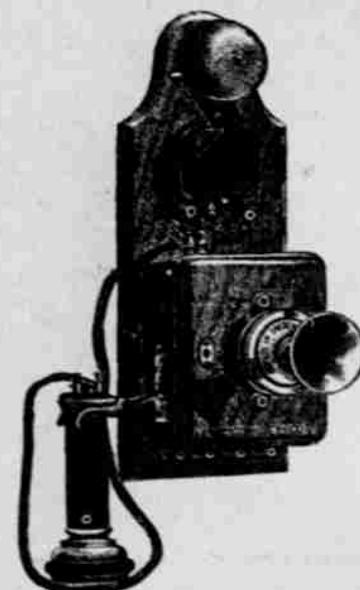

But though we work hard to keep our stock just right, like everybody else, we sometimes make mistakes. Our New York man, ever alert to keep us supplied with plenty of the best, has this time sent us too much. Consequently we are overstocked. But you know the old saying—"It's an ill wind that blows nobody good."

In order to reduce our stock, for six days we will offer our entire line of trimmings at half price. This includes Gallons, Allovers, Appliques, etc., in taffeta and laces.

No changes have been made in prices marked on the goods. Whatever the price, you pay only half, but this for six days only.

THIS IS AN OPPORTUNITY FOR DRESSMAKERS—IN FACT, AN OPPORTUNITY FOR EVERYBODY.

Dear Sirs: In my innocence I purchased in Honolulu a jar of your

Pin-Money Pickles

It brought me great trouble, and one of three things must occur:

1. You must step making them; or
2. I must get them at less expense; or
3. I am a ruined man.
Since my first venture I've had many "jars." My family from early morn cry "Pickles!" neighbors ring the door-bell and shout "Pickles!" relatives visit me in expectation of "Pickles." Your pickles are my Nemesis. Please, dear sir, quote them by the keg, barrel, hogshead, ton or shipload, and "preserve" me. Yours very truly,
